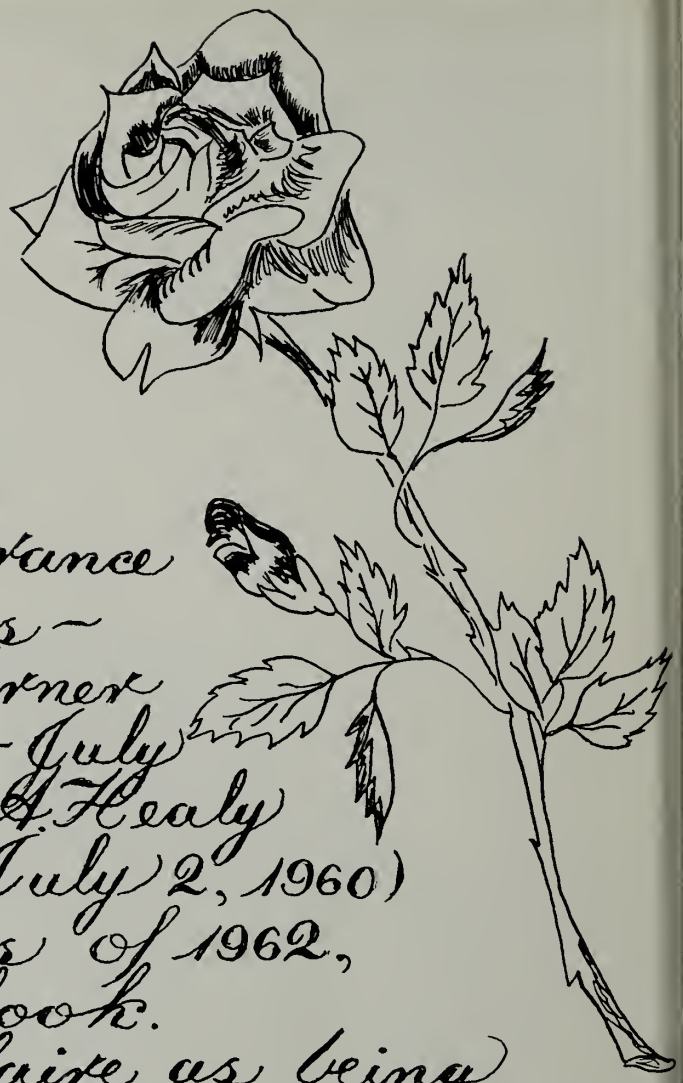
# THE ARCH WAY

# 1962

WHITMAN-HANSON REGIONAL HIGH SCHOOL
WHITMAN, MASSACHUSETTS

# Dedication



It is in remembrance of our deceased class-mates, Claire F. Turner (February 22, 1945 - July 2, 1959) and Mary A. Healy (April 19, 1944 - July 2, 1960) that we, the Class of 1962, dedicate our yearbook.

We remember Claire as being friendly, cheerful, and vivacious. Besides being a conscientious student, she participated in many school activities. Mary was coy-ueltish, fun-loving, and friendly to everyone. She was very active in school affairs and partiapated in many sports.

As we approach graduation, let us pause a moment in fond remembrance of these two who are gone but not forgotten.

# Foreword

As we pass through the Archway to the future, we pause to look back at our wonderful days at Whitman-Hanson Regional High School.

We hope that in this year-book we can relive some of the golden memories which we shared together. Let us recall the highlights of the past four years: the classes, the games, the dances, and the club activities.

Now that we have placed the keystone, we shall go forth through our Archway following our separate paths.

**Edwin W. Rowell**
Superintendent of Schools

In providing a connection or passageway between two areas, an archway can be one of the more beautiful sights in architecture. It may be an integral part of a building, or a free-standing structure such as an entrance to a garden, or an awe-inspiring structure such as the Romans built to commemorate military victories.

In relation to your growth and education, the archway is symbolic of the moment in time when you complete your high school education. At that moment you will be passing from a familiar way of life into a new one. You will be passing from the protected ways of childhood and youth into the self-disciplined ways of adulthood.

So we welcome you as you come through your Archway bringing your knowledge, courage and optimism to your new life.

"Knowledge, in truth, is the great sun in the firmament. Life and power are scattered with all its beams."—Daniel Webster

As Daniel Webster spoke at the laying of the cornerstone of the Bunker Hill Monument in 1825, he struck a note of truth with the above statement that is more meaningful for you today. Have you used the past twelve years to your advantage? Are you prepared for life in an uncertain future?

If your answers to these questions are in the affirmative, you must know that there are two important concomitants for successful living. One of these is the realization that your fund of knowledge is like one blossom on a tree. It takes many blossoms for a full bloom. You cannot be satisfied with what you know but need to strive continually for greater knowledge.

The other is that knowledge without a sense of justice and responsibility is not only useless but can be evil. Your parents and teachers have endeavored to provide the basis for a knowledge and satisfying future. Now it is up to you. What will you contribute to your community and yourself?

Mrs. Catherine McInnes
Guidance Director

Charles Bayley
Guidance Director

Throughout the high school years, the Guidance Department makes every effort to help each student realize the importance of his years in school, understand his potential, aim for achievement to the limit of his ability, and become acquainted with the many opportunities that lie ahead.

Each is welcome in the guidance rooms to investigate or to browse. Much information of all kinds is available to help in his search for the best way to ensure a successful and happy future. Two counselors are ready at all times to confer with the student, analyzing his grades, that most important high school record; his rating chart; and the results of aptitude, interest, and achievement tests, both local and national.

Further, the Department and its services are available to all not only students but adults.

# MATHEMATICS AND SCIENCE

With the constant demands being put on the incoming college students, it is therefore a greater responsibility on the part of the secondary school systems to see that our youngsters are ready to compete for a place in the college classroom.

We are most fortunate that the communities have presented us with ample facilities and funds to see that this challenge is met and the door to future success is opened for our graduates.

We are also aware of the necessity of a well-rounded background in our subjects in producing responsible and contributing citizens for a better community and for a better America. It is, therefore, our aim to do our best to fill all the needs of our youngsters, regardless of their chosen pursuits, in order that we may share in the building of a great and prosperous nation.

The mathematics department offers a full program of mathematics for all students in the general, shop, and academic courses. Shop students begin with an arithmetic course and advance through two years of mathematics applied directly to shop situations to a final course in business mathematics. Students in the general course continue their junior high developmental program through the ninth grade and then proceed to a general mathematics which is strongly algebra centered. They complete their training by studying mathematics directly applicable to business. College-bound students prepare themselves in the traditional mathematics program of two years of algebra, one year of geometry, and a fourth year of an investigation of a wide variety of advanced topics including trigonometry, number theory, theory of equations, probability and statistics, sequences, and three dimensional space.

The science department offers a wide range of subject matter. Classes study Physics, Chemistry, Biology, and General Science. The ultimate aim of the staff is to develop a scientific literacy, so necessary in a culture such as ours that is so thoroughly based on technology and scientific endeavor. In order to make effective decisions in personal, civic, and national affairs, the citizen must have some knowledge of the processes and products by which he is fed and clothed, entertained and inspired, and defended from enemies foreign and domestic.

The event of major importance to the departments and the school is the annual science fair. This provides an opportunity for the students to demonstrate their proficiency in the scientific and mathematical method of competing for the various awards.

# BUSINESS

The Business Department offers an excellent opportunity for students to prepare themselves for employment in the business world or for admittance to business schools as well as for economic competency in the home and community. Courses are also offered in basic business subjects in which students may gain a practical understanding of business organization, business procedures and business management. Students are thoroughly trained in Stenography, Typing, Bookkeeping and Office Machines. Filing techniques are studied. Considerable time is devoted to office etiquette, correct grooming and the development of desirable personality traits. The excellent new classroom facilities and modern business equipment aid in training our students to be adequately prepared for any situations or challenge they may encounter in the business world. Courses in the Business Department are available to all students. Personal Typing is offered to students in the College Course.

# SOCIAL SCIENCE

Today, more than ever before, social studies have special significance in American education. The Social Studies Department furnishes ingredients that are essential to the general education of prospective citizens in the public schools of the Twentieth Century. The current hypersensive emphasis on science, born of Sputniks accent, needs the balancing influence of a strong program in social studies. The Social Studies Department has succeeded in doing just that this year. A number of educational innovations have been introduced; new 1961 edition College United States History books have made the teaching of the United States history more efficient; student subscriptions to the New York Times have made the study of Current Events more meaningful; the planned Community Resource Program has brought a series of notable speakers to the school, including Attorney Edward Kennedy; and the Social Studies Department has pioneered a team teaching unit, this year, which brought the English, Science, and Music Departments in integrated cooperation in presenting the historical topic of the Civil War. The Social Studies Department, in their weekly evaluation meetings and departmental seminars, are constantly developing new approaches and techniques to make the department as up-to-date as this morning's newspaper.

## MUSIC AND LIBRARY

Centrally located at Whitman-Hanson is our school library, which fills a great need. Students have an ever-growing need for both current publications and older, standard books, to supplement classroom texts.

The Whitman-Hanson High School Band has been very active this year. Members in addition to performing at all the football games and rallies have played at various concerts.

# Senior Class of 1962

SENIOR CLASS OFFICERS

Mr. Redgate, Advisor; Joseph Stacy, Treasurer; Janie Bradshaw, Vice President; Paul Shanklin, President; Sally Jefferson, Secretary; Mrs. Hobby, Advisor.

Four years ago, in our Freshman year of 1958, very few of us could have anticipated how swiftly our high school days would pass.

As Freshmen we unfortunately had to attend school in the afternoon because of the double session system, resulting in our missing out on many school activities and on meeting the upperclassmen. But with the aid of our advisors, Mrs. Hobby and Mr. Redgate, and our newly elected officers, Kevin Kenny — President; Dianne Zeller — Vice-President; Allison Slaughter — Secretary; Paul Berry — Treasurer, our year proved very rewarding.

As Sophomores we were able to participate in more activities. Elected for class officers were, Paul Berry — President; Mary-Jane Ricker — Vice-President; Sally Jefferson—Secretary; and David Harris—Treasurer.

Our social event of the year was our dance, "Blue Heaven," which was made very successful by the support of all the classes and the work done by the dance committees.

Before we knew it our Junior year appeared and we were faced with many new and exciting activities. This also was our first year in the new Whitman-Hanson Regional High School, and once again we found ourselves confused and searching for our assigned classes.

Our class officers for this year were Dick Ferris — President; Janie Bradshaw—Vice-President; Sally Jefferson — Secretary; and Joe Stacey — Treasurer.

On May 12, in our gymnasium we held our Prom, "Wonderland by Night." Chosen for Queen was Sally Jefferson and her court included Diane Harding, Janie Bradshaw, Linda Fisher, Karen Nutter, Barbara Knorr, and Sue Merriam. Everyone worked diligently to make the dance a success and despite the rainy weather it will be remembered as one of the happiest event of the year.

Then at long last we were Seniors. There was added to our school faculty, our new Principal, Mr. Elton B. Smith, who has proven to be a very understanding and helpful person through our last year of school.

Elected to be our class officers for our final year were, Paul Shanklin — President; Janie Bradshaw — Vice-President; Sally Jefferson—Secretary; and Joe Stacey—Treasurer.

We are certain everyone will remember the Thanksgiving Day football game with Abington, and although we did not win, we can be proud of the spirit shown by the students and the team, who did their utmost despite the many injuries of players who were not able to participate. We hope that you, the students, will continue to support your school as you did that day.

We still have many events to come and we know that with the closing of our Senior year we will have had many memorable moments to remember. We wish to extend our appreciation and gratitude to the faculty and our class advisors for all the help and guidance they have given us throughout our four years.

# SENIOR CLASS HISTORY

Early in September of 1958, with the anticipation of having afternoon classes, we entered Whitman High School. Our officers for the freshman year were Kevin Kenney, president; Diane Zeller, vice president; Allison Slaughter, secretary; and Paul Berry, treasurer. We elected William Reed, John Magoun, Virginia Colby, Frank Pritchard, and Richard White, to the Student Council.

Dianne Zeller and Joanne Farrell brought spirit to our class by cheering the football team on to undefeated victory. Thanks to Mr. Hines, freshman boys were able to organize a basketball team.

Mrs. Hobby and Mr. Arnold, our advisors, were very helpful in planning the freshman class social held on November 7, 1958.

Entering our sophomore year, we anticipated joining the upper classmen in the morning session. Under the supervision of Mrs. Hobby and our new advisor, Mr. Redgate, the class held an election of officers, choosing Paul Berry, president; Mary-Jane Ricker, vice-president; Sally Jefferson, secretary; and David Harris, treasurer. Our class representatives were Susan Merriam, Frank Pote, Diane Harding, David Harris, Priscilla Clark, Dianne Zeller, Barbara Knorr, Richard Ferris, Carol Luther, Karen Prario, William Reed, and David Hancock.

Although not undefeated as the year before, our football team was quite successful, finishing with only one loss. Our classmates on the varsity team were Gerald Leach, Richard Searles, Joseph Leeth, and Ronnie Penney. Our class had hoped to see Karen Nutter as a cheerleader, but due to an injury she was taken from the squad.

When the basketball season rolled around, Jock Lindsay, Richard Searles, Ronald Penney, Edward Hill, Lawrence Provost, John Alho, and Peter Huska joined the boys' teams. The girls' teams were strongly supported by Patricia Means, Joyce Jordan, Jean Digregorio, Lynne Carter, Lee Carter, Gloria Benner, Pauline Barrows, Priscilla Clark, Gail Phipps, and Diane Harding.

Our sophomore dance, "Blue Heaven", held on January 15, 1960, was a financial as well as a social success.

Many of our classmates participated in the first student government campaign held in Whitman, and several were elected to offices of the town.

As June came we anticipated being promoted to the junior class and to a new building.

In the fall campaigns were held for class officers, and Richard Ferris, Janie Bradshaw, Sally Jefferson, and Joseph Stacey were elected. At the same time Diane Rosser, Carol Luther, Mary-Jane Ricker, Pauline Barrows, Francis Murphy, and William Kailher were elected to the Student Council.

Both the girls' and boys' sports were strongly supported by the junior class. Although none of the teams were undefeated, our classmates did their best.

In the spring, thirteen members of the junior class were inducted into the Whitman-Hanson Chapter of the National Honor Society. Those so honored were Hazel Albee, Cheryl Bouley, Janie Bradshaw, Carol Burke, Linda Fisher, Sheila Kenealy, Courtland Harlow, Dianne McWilliams, Susan Merriam, Karen Nutter, Gail Phipps, Karen Prario, and Joyce Schwenzfeier.

# SENIOR CLASS HISTORY

As we look back at special events, our "Underwater Fantasy" held in November, shines for its originality. Although held on a rainy, starless, May evening, our most outstanding social event was the junior prom, "Wonderland by Night". Our class president had the honor of crowning Miss Sally Jefferson queen. She and her court reigned in a garden of orchards.

In our junior year we had many classmates who received awards. In the Spellman Essay Contest, Priscilla Clark and Carol Luther captured two of the three prizes. In the Science Fair, David Harris, Gary Clayton, and Carol Luther received the top three awards respectively. Carol was also the recipient of the Brotherhood Award. In June Sheila Kenealy and Cheryl Bouley became honorary members of the Whitman Woman's Club, and Richard Murphy received the Athletic Association Cup.

When our Senior year arrived we were greeted at the door by our new principal, Mr. Smith, to whom we give thanks for many new ideas and improvements.

Our officers were the same as the preceding year with the exception of class president changing to Paul Shanklin. The Student Council Representatives were Mary-Jane Ricker, Karen Prario, Diane Rosser, Pauline Barrows, Carol Luther, and Diane Harding.

On October 11, 1961, Seniors and underclassmen danced around a harvest scene to dreamy melodies under our "Magic Moon".

Our football team, led by Ronald Penney, Richard Murphy, and Richard Ferris, was hindered by many injuries, but was helped by a school spirit never equaled before. At the close of the season, with the traditional banquet, we honored the team and cheering squad, to which Karen Prario had been added.

Lawrence Provost and Edward Hill were our co-captains for the boys' basketball team and Jean DiGregorio and Joyce Jordan were our co-captains for the girls' basketball team.

At the end of the second marking term Allison Slaughter, Diane Harding, Brenda Crosman, and Loretta Hurley were elected to the National Honor Society.

Honors were bestowed on three of our classmates as Patricia Means was chosen Miss Whitman-Hanson, Paul Pennini became our representative for Good Government Day, and Janie Bradshaw was elected as the Daughter of the American Revolution.

As we look to the future, we see many shining lights on Pauline Barrows, our starlet of "Tammy, Tell Me True", Sheila Kenealy, our Valedictorian, Cheryl Bouley, our Salutatorian, and our Class Day, and Graduation Exercises.

As we, the graduating class of 1962 enter the Archway to adulthood, we leave behind a thank you to Mrs. Hobby and Mr. Redgate, who greatly helped us through our trying years, and we take with us fond memories of our happy high school days.

Respectively submitted,
Janie Bradshaw
Hazel Albee

# PROPHECY

It is June 10, 1985. We are at the national WHRHS launching pad located at Cape Sevigney in Florida about to embark "The Twisting Murph". We nervously confer with the astronaut-pilot Jerry Chase. He reassures us with the knowledge that former passengers, Ken Monroe, Sonny Hefler, and Dick Hayes are now permanent patients at Merriam Memorial Hospital. After being thusly 'encouraged' we decide to postpone the tour. However, with a bit of friendly persuasion by Jean Bellefeuille and Dick Mastropietro, we find ourselves strapped in the seats awaiting the countdown which is effectively delivered by "Never-Fail" Jack Phillips. We had an enjoyable trip assisted by two attractive stewardesses. One, Jean Douglas, fainted as the rocket collided with Duffy's Comet. There were no serious consequences, as the other stewardess, Mary Weir quickly revived her with a dosage of Zeller's Cure-All. Our first stop was loudly announced by Diane Spades. We were greeted on the moon by Harlow's Band and the two notorious moon monsters, Ginny Stone and Jean Marsh accompanied by their pet, Moon-Rabbit Fabrizio. We were invited to attend the grand opening of Dunham's Green Cheese Emporium. Arriving with our military escort, Larry Provost and Donnie Sampson, we were just in time to see famed architect, Ricky Barasel, receive the coveted D. K. Harris Award for Scientific Beauty. Presenting the award was Diane Rosser. Entering the Emporium we were first shown the business offices. We were astounded to see Cheryl Ford, supervisor, cracking the whip over Carolynn Blinn, Joanne Farrell, Claudia Hennebury, and Ann Hickey who were all too busy erasing to pay much attention. Continuing the tour directed by John Alho, we come upon fragrant cheese tasters David and Dick Ryan, and catch David Casoni with his fingers in the batter. That evening we attended the premiere of "Carol's Continued Crush" starring Pauline Barrows and Luther Hodges at the Kramarski Palace arriving in a Tufankjian limousine driven by Bob Douvette.

The next morning after a sound sleep in Magoun's Moon Motel, we boarded our rocket once more and head for Venus. On this trip we find that we have company — Betsy Belcher and Clint Polland are vacationing from their Maine estate. Universal playboy, "Passionate Paul" Shanklin keeps the stewardesses hopping. Finally we arrive. We are greeted by that "Wailing Wantell" Paul Pennini and his manager, Frank Baker. Our stay here is short 'n' sweet; but before we blast off we visit beauty queens Patty Means, Karen Nutter, and Sally Jefferson and their royal subjects Dick Murphy, Dick Searle, and Dick Ferris. Royal beauticians Carole Vinal, Mary Peterson, Linda Lima, and Paula Jefferson are also present. Our next stop is Mars. Hunger forces us to stop at Walkey's just south of Mean's Canal. Louie Romano and Steve Perkins check out our rather large order with characteristic efficiency. Therefore, two hours later, we and 991 bundles of groceries check in at Keene's Hotel. The clerk, Mary-Jane, gives us the keys to a spacious suite. Bellhops Bill Jacobsen and Bob Jacobson struggle with our edible 'luggage'. We arrive on the thirteenth floor and enter suite thirteen which has thirteen luxurious rooms decorated by superstitious Brenda Spinola. Just as we begin to relax, the phone rings and starlet Sue Pimental squeals over the wire, "Guess what? You're having a party tonite!" This brings back fond memories of the class of '62's custom. A second later the solid oak door is banged down by Skippy Allen and the rooms are filled with exuberant twisting Martians. Happy Alice Parker and "Fweddy" Hurst entertain everyone with their antics. After the laughter died away Danny Duggan, and Karen Murphy, Joyce Jordan and Bernie Lewis join Peter MacDonald in the twist while Jock Lindsay and Peter Huska lead us in the "Halls of Ivy Twist" written by Brenda Crosman. The festivities are suddenly interrupted by a deafening crash. Rushing outside we see that Hazel Albee has done it again! Nurse Earlene White rushes to her side with a bottle of Wheeler's Smelling Salts. While the trucks of the Edward Hill Corporation clear away the rubble, Miss Albee's lawyer, Gary Clayton, questions witnesses Nancy Burr and Ginny Alden. A few minutes later television cameras are on the scene with loquacious reporter, Karen Prario. Her rapid-fire questions confuse all, so suspicious police officer, John Henderson treats everyone to a ride in the paddy wagon driven by Karen Dickey. Luckily the two underworld characters, the Carter twins, lead the two of us to a "hot rocket" and we escaped. We are forced to land on Utopia, the planet for happily married couples, because we have run out of rocket fuel. Tanking up at Freden's Fuel Fountain we aren't too surprised to see Diane Harding, Carol Liverett and Joyce McIlvene chatting over their backyard fences. As we prepare to blast off we are surprised to see Dianne and Ray hanging out diapers.

Our next stop is Jupiter. Our arrival is unheralded however, as a bowling tournament is in progress. At the alley, Ronnie Penney rolls his famous

# PROPHECY

Slaughter bowling ball down the alley knocking down pins Paula Bacon, Donna Barrows, Rachel Clark, Marie Ibbitson, Jane Wyman, Pat Wentworth, Carol Comins, Sandy Churchill, Carole Rice, and Loretta Hurley. His opponent, Russell Vallancourt, scores a series of strikes. This turn of events finds his manager, Eric Larsen, happily counting the prize money. Aware that an argument is about to follow and not wishing to be involved in any trouble, we rush out. Cheers and confetti greet our exit. However, we are deflated to find that the celebrating is not for us, but for a popular Jupitarian. Mary-Jane Ricker, politician, is the central figure involved in a ticker-tape parade. Careful inquiry informs us that Governor Ricker is running against Senator Janie Bradshaw for the presidency of Jupiter. Not wishing to seem partial, we cross town and enter Hancock Hall to listen to the Senator. Collecting money at the door are Joe Stacey and Mrs. Hobby. One active agitator, John Black, is expelled from the hall. Election day dawns. Planet clerk, Bob Quilty, tells us that we must leave Jupiter party bosses, Wayne Barlow and Joe Leeth, do not wish to have foreigners present. Reluctantly we leave.

Accompanying us on this trip is Jimmy Booth, the notorious blackmailer, escorted by Detective Kevin Broderick. Even as we near our destination, he offers legal secretary, Jonna Cosentino, fifty packs of gum to slip him the keys to the handcuffs. Other passengers are millionaire, "Flip" Stearns, and his valet, Richard Porter.

When we land we are met by the Pasha of Pluto, Jerry Andrews. He is surrounded by his royal harem: Nancy Bain, Cilla Clark, Ginger Colby and Janet Morgan. We are surprised at the faintly Indian atmosphere produced by such sights as Lee Baker lying on a bed of nails, Paul Isabelle charming a white cobra, and Dick White perched atop a suspended rope. Steward Frank Pope rushes up to us and, bowing quite low, offers to take us to a more modern section of the planet.

Ridign in Rumrill's rickshaw, we arrive at Ronny Palm's Resort. The very contiental Larry St. Laurent accompanies us to the lobby where we collide with famed "muscle man", Charlie Buchko. With promises to hurry down, we freshen up in our suite. Our decision to make this a lengthy stay was shockingly altered by a card, which had been slipped under the door. It read, "Frazier's Funeral Home, 119 Death Drive. We plan on seeing you there."

Frightened, we tie a number of Jasperson's sheets together and climb out the window. We fall and land on Carol Williams, who is walking with Joanne McMaugh, successful auctioneer. Running in the direction of our ready rocket with Buzz Sawyer and Bob Shay in hot pursuit, we clamber aboard the space ship, collapse in our seats and drift off to dreamland. Suddenly, looming above us are Clint Harriman, donned in a leopard skin vest, and Bob Campbell, carrying the remains of a dissected frog. What a nightmare!!

When we awake we find ourselves on the planet Neptune. The sound of splashing water brings us to the hatch. We're surprised to see old friends: Rose DaSilva, Sally Coughlin, Bobbie Sheehan and Ellen Nice cavorting in the water. King Neptune, John Ahearn, explains that they're mermaids. He commands David Donnelly to take us on a tour of the planet. Our first stop is at Unick Enterprises where whiz mathematician Linda Fisher is busy compiling the results of Schwenzfeier's Test for Aspiring Young Stenographers. It is discovered that Margaret Durant and Judy Harrison attained the highest scores. Next we stop at McWilliam's Drug Store for the pause that refreshes—a Ewell Burger. The sound of cheering attracts our attention, and we decide to follow the noise. We're just in time to see Jean DiGregorio receive the Leach Sports Award at Chase's Gym. Delivering a splendid congratulatory oratory is Miss Sheila Keneally an eminent Neptunian. The Bouley Computer ticks out the information that the passage of five light years makes it necessary to head for home.

Boarding the ship, we see that Neil Harrington has taken over the controls. Kevin Kenney and Arthur Langley do not notice this change because they are concerned with a rousing game of chess. As we wing through the Universe past Old Sol, Mr. Redgate, we hear from radio announcers, Roy Moneghan and John Lynch, that back home Carol Burke and Gail Phipps are plunging through South American jungles with their trusty guide, Jim Reid. This bit of news makes us a bit homesick. We are overjoyed to feel our landing parachute—manufactured by Wales Inc.—begin to function. Closer and closer the water comes. Something's wrong and it seems that we are in trouble. We scramble for the safety hatch. It's too late. We are being tossed to and fro. Groggily we look about us. Dave Tibbets and Dave Wilson are shaking us awake. Unless we leave this class immediately, we'll be late for lunch. It was only a dream. Phew!

# CLASS WILL

We, the Class of 1962, being of reasonably sound mind and body do, hereby, bestow upon the fortunate Underclassmen and Faculty, these treasures on this Tenth day of June.

To Mr. Smith we leave the wish for many more years of success.

Sally is our queen!

# "Wonderland by Night"

On Friday evening, May 12th, 1961, our Junior Prom was presented in the Whitman-Hanson gymnasium with music by Earl Hannafin's orchestra. Various committees with the help of our advisors, Mrs. Hobby and Mr. Redgate, participated in making our dance a social and financial success. The scene was set amid colorful flowers and greenery.

The climax of our Prom was the selection of our queen, lovely Miss Sally Jefferson and the attending court was Linda Fisher, Diane Harding, Barbara Knorr, Janie Bradshaw, Susan Merriam, and Karen Nutter. Although it was a rainy evening, our Prom lived up to our expectations and will remain in our memories for the rest of our lives.

On Thursday evening, April 12, 1962, and on Friday evening, April 13, the Seniors presented their class play. "Tammy, Tell Me True," in the high school auditorium. The starring roles were portrayed by Penny Barrows as Tammy, a naive, young girl, and Paul Pennini as Professor Tom Freeman, who educated the naive, young girl! The play was a smashing success, both socially and financially. We extend our deepest appreciation to Mr. Treadwell Harrison and Mr. Daniel Redgate for their help as directors.

# "OUR FOOTBALL TEAM"

The 1961 edition of Panther football was the first indication of a long winter of discontent. Though few victories were achieved on the field, many victories were won. The team learned what the game of football is about, the fundamentals of blocking and tackling, and the importance of physical condition and team work.

After a loss to Hingham in the Jamboree — the team determined to bounce back against league title holder—Scituate. Playing its finest offensive football of the season, the Panthers gamely hung on only to lose in the final period. The following week was a re-play of the Jamboree.

The third game of the season produced a feeble effort by Whitman and its first shutout as a strong Randolph eleven vastly ruled. A strong team effort produced the near upset of the year when Whitman lost to Plymouth six to nothing.

At last victory. When the dam burst it flooded—Whitman flooded Bridgewater with touchdowns to win in an easy victory. The momentum of the Bridgewater game carried Whitman to a dull and drab victory over Rockland. Then the curtain closed again.

Silver Lake, a sleeping giant, splashed to its most convincing victory with a thorough thumping of the injury ridden—morale ridden Panthers.

Middleboro also had to get into the act by whipping Whitman in a spine tingler to bring the season to the finale.

Introducing a new formation to accent the forward pass, the annual Turkey Day Classic ended the season with the same bitter note with which it began. Thanksgiving served a tasteless turkey to the Whitman Forces as an endless parade of Abington touchdowns buryed them in oblivion.

The three Co-captains were Richard Ferris, Ronald Penney, and Richard Murphy. Other senior players were Richard Searle, Larry Provost, Gary Clayton, Gerry Leach, Joseph Stacey, Kevin Broderick, and Manager, David Casoni.

This year has been another "rebuilding" year for the basketball team. While working mostly with Seniors, Coach Spratt has some promising underclassmen coming along. Lacking height, and getting off to a bad start, we never really got rolling. We had very good support from the Student Body this year, and should have a better season next year.

The baseball team is looking forward to a successful season. With determination and hard work our season will be a memorable one. I feel that these qualities can be found in the boys at Whitman-Hanson. Seniors returning this year are Ronny Penny, Jerry Leach, and Larry Provost.

# SOFTBALL

The girls' softball team, under the tutelage of Miss Pratt, displayed a tremendous amount of softball talent this year in composing their enviable won and lost record. The batting powers of Jean DiGregorio, Karen Prario, Carol Williams, Sandra Churchill, and Patty Means completely over-whelmed the opposition. Combined with this batting strength was the flawless fielding of Gloria Benner and Rose DaSilva to demoralize their opponents. Janie Ewell proved to be one of the better pitchers this area has seen in a long time. The team's enthusiasm, spirit, and hard work insured a very successful season.

The girls' basketball team had a very successful season this year under the leadership of our coach, Miss Pratt. Despite the loss of many girls from last year's graduating class, the girls' Varsity Team had a record of eight wins and three losses.

Joyce Jordan and Jean DiGregorio were chosen as co-captains by the team at the beginning of the season.

Our forwards who did an outstanding job were Patricia Means, Karen Nutter, Marsha Fullerton, Jean Lindsay, Cheryl Lovell, and Jean DiGregorio. We owe a great deal to our guards, Joyce Jordan, Gloria Benner, Gail Phipps, and Chris Grande.

The Junior Varsity had a successful season with seven wins and four losses.

A party was given by the underclassmen in honor of the graduating Seniors at the end of the season. At the beginning of the party a gift was presented to Miss Pratt in appreciation for her fine coaching.

The Seniors would like to extend the best of luck to next year's team.

# CROSS COUNTRY

The cross country team under the supervision of Mr. William Clark is looking forward to an active, winning season. Earl Fucillo is expected to uphold his fine record. The other teams are going to find stiff competition in Mr. Clark's boys. It is hoped that many of the younger boys will take an interest in this sport.

# TRACK

Coaching a track team is new to coach Jim Roades. He has some excellent prospects in John Ahern, who appears to be a good weight man, and Earl Fucillo, who has not received due recognition for the talents he possesses. The objective of the team ultimately is to win track meets, but particularly to have a well organized and well conditioned group. All candidates who are willing to work, perfect their events, and perfect themselves are welcome.

## NATIONAL HONOR SOCIETY

The National Honor Society is an organization consisting of honor roll students who also excel in leadership, character, and service.

During the past year the Whitman-Hanson chapter has been very busy raising funds for scholarships to be given at graduation.

The officers were elected and installed at our annual banquet at the Hotel Monponsett on May 31, 1961. They are as follows: Linda Fisher, President; Carol Burke, Vice-President; C. Hazel Albee, Secretary; Sheila Kenealy, Treasurer; Cheryl Bouley and Janie Bradshaw, Co-Program Chairmen.

On December 15, 1961, we held "Winter Carnival" at which time many students enjoyed dancing to the music of the Russtones and a singing Santa Claus, Paul Pennini. The seasonal decorations added to the festive mood of dancing, and the highlight of the evening was the selection of couples to appear on Boston Ballroom in March.

On February 16, 1962, the movie, Gidget, was shown in the auditorium of the high school. It proved to be a tremendous success.

With the help of our officers, and our advisor, Mrs. McInnes, we have accomplished much in the year of 1961-1962.

# STUDENT COUNCIL

The Student Council of 1961-1962 had its first meeting in October under the supervision of Mrs. Walker and Mr. LaFranchise. Regular meetings were scheduled to be held every Tuesday at 2:30.

Officers elected were Mary-Jane Ricker, President; Karen Prario, Vice-President; Pauline Barrows, Corresponding Secretary; Diane Rosser, Recording Secretary; and Rochelle Smith, Treasurer. An executive board appointed to work with the officers consisted of: Diane Harding, Carol Luther, Donna Daley, and Judy Backer.

Several committees were active during the year: scrapbook committee, constitution framing committee, convention planning committes, and a child adoption committee.

The Fall Convention of the Southeastern Branch of Student Councils was held at the Whitman-Hanson Regional High on November 16, 1961; and about forty-five schools were represented.

The Student Council sponsored a Red Cross drive, sold student plastic book covers, compiled and published a student handbook, and opened a book store. These projects have helped to make this year's Student Council a successful one.

## BAND AND MAJORETTES

The Whitman-Hanson Regional High School Band under the direction of Bandmaster Robert Fishman, has had a very active year. Members, in addition to performing at all the football games and rallies, have played at various concerts out of town as well as in town. The Dance Band, newly established last fall, has progressed tremendously. They have played for dances and social gatherings throughout the year.

## CHORUS AND CHANSONETTES

The chorus under the direction of Mr. Robert Fishman has progressed greatly this year. They have sung at various events including the Christmas Assembly and also singing Carols at the Town Hall.

The Chansonnettes, a newly established musical organization under Mr. Fishman's direction, is a select group of girls interested in furthering their musical training. They have sung at several assemblies and various other engagements.

# F.T.A. AND F.N.A. GROUPS PREPARE FOR ACTIVE CAREERS

## FUTURE TEACHERS OF AMERICA

The purpose of the Future Teachers Club is to afford an opportunity for interested students to explore the field of education as a career. In co-operation with the Future Nurses Club, they sponsored the lecture on South America by Carl de Suze which helped the scholarship fund of each club. In April the two clubs held a dance to complete their policy of annually presenting one cultural and one social event to the student body.

## FUTURE NURSES OF AMERICA

The Future Nurses Club is composed of students interested not only in nursing, but also in the varied allied health fields.

The members engaged in several projects throughout the year to earn money for scholarships for graduating members. They also collected many toys which were taken to the Paul A. Dever State School.

Several trips were made to hospitals and schools in which the members were interested.

## THE DRAMATIC CLUB

The club has become very active this year. At the Christmas assembly an amusing short play was presented. The members also worked hard on the one act skits for class competitions which were presented later in the season.

## THE ART CLUB

In the fall a club was formed so that twenty students would have the opportunity to meet together and work on various art projects of special interest to them. A number of the artists used the silk screen printing process to make their own Christmas cards.

For the first time in many years a school publication has successfully been published at the Whitman-Hanson Regional High School.

"Panther's Print" has the distinction of being the only school publication completed and compiled within the school confines. Mr. Clark and Mrs. Lapworth through generous help of their departments, have contributed to this distinction. Although hampered by lack of sufficient experience, those responsible for "Panther's Print" are confident of a lasting and increasingly improved chronicle of school events.

## THE JUNIOR CLASS

During this, our Junior year, we have become quite active in the many activities offered here at W-H-R. Under the direction of our two very able advisors, Miss Kelleher and Mr. Trojano, we've elected Martin Wheeler, Lois DeCoste, Dave Horner, Ed Santos, Dee Hickey, Janice Byrnes, and Honey Bodwitz as homeroom representatives.

At the football and basketball games, our cheerleaders, Brenda Pina, Mary Lou Adams, and Honey Bodwitz can be heard over the din.

Our social event up to now has been our dance, "Oriental Holiday," which was held November 10th in the cafeteria. We're now eagerly awaiting our Junior Prom, scheduled for May 18th.

We, the class of '63 wish you, the class of '62, the very best of luck in everything you attempt.

## THE SOPHOMORE CLASS

The year of 1961-1962 can be written down as quite a successful one for the class of '64. This year the class officers elected by fellow students were Richard Rosser, President; Jeanne Lindsay, Vice-President; Christopher Stearns, Treasurer; and Marsha Russell, Secretary.

Of course all the students took part in the scholastic functions at the school but there was also much interest shown in extra curricular activities and athletics by both girls and boys.

The class is looking forward with much anticipation to the Sophomore Dance entitled "Archway to Enchantment" to be held on February 2, 1962. It is hoped to be a success.

There is also a talent show planned to be held in March or April which will be of interest to the entire school. The class of 1964 is also looking forward to another two years of high school in which we may work towards the improvement of our class and our school.

OFFICERS

Christopher Stearns, Treas.; Marsha Russell, Sec.; Richard Rosser, President; Jeannie Lindsay, V. Pres.; Mrs. Morris, Adv.; Mr. Wood, Adv.

OFFICERS

Mr. Resnick, Adv.; Christine Derosier, V. Pres.; Herbert Foote, Treas.; Sandra Wallace, Sec.; Mrs. McCarthy, Adv.

## THE FRESHMAN CLASS

Entering Whitman-Hanson Regional High this year was something new and exciting for all of us and it has proven to be a very prosperous and rewarding one.

We are very grateful for the understanding and co-operation of everyone who has made us feel welcome.

The class officers this year were Robert Flavell, President; Christine Derosier, Vice-President; Herbert Foote, Treasurer; and Sandra Wallace, Secretary.

The members of the class have taken a real interest in the life of the school by participating in the various sports and activities.

We plan to make the next three years just as profitable and enjoyable as this year.

We send our sincerest wishes to the class of '62.
